

AMERICAN FRIENDS SERVICE COMMITTEE PRESENTS

GOALS FOR GAZA

WELCOME TO GOALS FOR GAZA!

This match, in partnership with the American Friends Service Committee (AFSC), is an initiative aimed at uplifting the voices of Palestinians affected by war and displacement and amplifying the call to stop the genocide. In partnership with soccer teams worldwide, the AFSC is calling for an immediate and permanent cease-fire, an end to U.S. military aid to Israel, the release of all held captive and in prison, and safe and unrestricted access for humanitarian aid to Gaza. #GoalsForGaza

WHY GOALS FOR GAZA?

Palestinian children have long found joy and solace in playing soccer, but for more than six months, Israeli bombings and ground invasions have shattered communities, displacing, disabling, and orphaning many young players. Goals for Gaza aims to provide a refuge for these children, offering them a chance to play and heal amidst their daily challenges. By participating in Goals for Gaza, you join a global movement advocating for the rights and well-being of Palestinian children and communities.

HOW CAN YOU HELP?

Check out AFSC's social media for videos and photos from the Goals for Gaza tournament in Rafah. In the comments, tag your favorite soccer players and urge them to act in solidarity with the children of Gaza by sharing photos from the tournament in Rafah on their platform. Please also donate to AFSC's emergency relief fund. Your contribution increases our staff's ability to provide aid and support to the children and families who have lost everything in Israeli attacks.
