

"I'm glad so many people are honking in support for our signs calling for an end to the war. But I want every one of those drivers to get out of their cars and stand with us. When we're on every corner in Denver, that's when we'll see some change."  
~T. J. Westphal, Iraq War Veteran speaking at the Arvada Vigil

## Ongoing Weekly Vigils for Peace New & Occasional Attendees Welcome!
