

What is 502B(c)???

We are here!

DOES NOT PASS

If the resolution does not pass, the process stops here, but forces a conversation on human rights abuses in the target country

This second resolution can condition, restrict, or halt aid altogether

DOES NOT PASS

Forces a second conversation

1

A member of Congress introduces a resolution invoking Section 502B(c)

10 days passes

2

The sponsor of the resolution brings the resolution to the floor for a vote

3

The chamber takes a vote on the resolution

4

The State Department delivers the report within 30 days or all assistance stops

5

The sponsor of the first resolution introduces a second resolution based on the report

10 days passes

6

The sponsor of the second resolution brings the new resolution to the floor for a vote

PASSES!

If the resolution passes, the State Department has 30 days to produce a report on human rights in the target country

PASSES!

Aid is conditioned restricted, or halted
