

Resources on Divestment

We Divest – This is the site of the We Divest TIAA-CREF Divestment Campaign. It includes background information on the campaign, resources for activists, and a link through which you can sign the We Divest petition.

<http://wedivest.org/>

Who Profits - Who Profits is dedicated to exposing the commercial involvement of companies in the continuation of Israeli occupation. The project publishes information about companies, produces in-depth reports, and serves as an information resource center.

<http://www.whoprofits.org/>

Global Exchange: Economic Activism for Palestine Project – This site provides excellent information on many of the companies targeted by the We Divest Campaign.

<http://www.globalexchange.org/programs/economicactivism>

Quakers with a Concern for Palestine-Israel – This website brings together information from Meeting around the country related to Quaker activism on Israel-Palestine issues.

<http://www.quakerpi.org/default.shtml>

United Methodist Kairos Response – This website includes information and resources put together by members of the Methodist church who are working to develop an internal investment screen for their church.

https://www.kairosresponse.org/UMKR_Home.html

The Presbyterian Israel-Palestine Mission Network – This site includes excellent background information and resources regarding the overall conflict and divestment.

<http://israelpalestinemissionnetwork.org/main/>

Jewish Voice for Peace – The JVP site includes excellent background information on the Israeli-Palestinian conflict.

<http://jewishvoiceforpeace.org/>

The US Campaign to End the Israeli Occupation – The US campaign is a coalition of over 300 US based organizations working to end Israel's occupation and realize peace with justice in Israel and Palestine. This site includes excellent resources for activists, including materials on divestment.

<http://www.endtheoccupation.org/>

The Boycott National Committee – This is the website for the Palestinian body that initiated the Palestinian BDS call in 2005. The committee speaks for the over 250 Palestinian organizations that signed on to the initial BDS call.

<http://www.endtheoccupation.org/>

Kairos Palestine – This website is maintained by the coalition of Palestinian church leaders who came together in 2009 to issue the Palestine Kairos Document. The site includes links to the Kairos document and information on the current situation in Palestine and Israel.
